

POUCHES FOR PEOPLE

Thank you for supporting the NJEDDA Adult Center's Life Skills Training Program. Your tax-deductible contribution allows our men and women to learn and grow, while we help others.

Our pouches are hand crafted and filled with toiletries, snack items and a personalized card.

They are delivered to local homeless shelters, veterans, active-duty service men and women and other areas of community need.

Remember that special person by sponsoring a pouch in their name. Personalized certificates are available.

Please send your check to the address below or make a contribution through the PayPal link provided. When you make a contribution to our Pouches for People program know that you have given a total of 3 smiles-

To our men and women - who desire meaningful work and a place in our community

To the recipients - both home and abroad, who can feel the love coming through

To yourself - for making it happen

Name: _____ Email or Address: _____

Number of pouches _____ @ \$25.00 per pouch - Total Enclosed \$ _____

Name of person being honored (if applicable): _____
